

Dear FuseNet PhD Event 2023 Attendees,

The event is approaching soon and we would like to refresh some local logistical details.

Registration opens on Wednesday, 23 August at 8.15.

Please have available the QR-code you received attached to your registration confirmation email.

Please pick up your badge and your welcome bag that includes your lunch voucher & Olympic museum pass.

Hotel

[Auberge de Jeunesse Lausanne Jeunotel / Lausanne Youth Hostel Jeunotel \(YHJ\)](#)

Ch. du Bois-de-Vaux 36, 1007 Lausanne, Switzerland / Tel.: +41 21 626 02 22 /

lausanne@youthhostel.ch

Your accommodation is paid during the event (3 nights: 22-24 August). Additional nights are to be covered by you. We did our best efforts to accommodate all of your roommate preferences; however, it was not possible for everyone. Accommodation includes breakfast and public transportation ticket in the Lausanne area for the duration of the stay. Please make sure to take your transportation ticket with you.

Meeting venue

EPFL, [Auditorium CO2](#)

We recommend to download the EPFL campus app to help you find locations on the campus. It will provide you with real-time directions to reach the different sites.

Transportation

From the airport to Lausanne: train schedule and tickets purchase are available [HERE](#)

From Lausanne train station: Metro M2 to Ouchy, then bus # 24 to IOC (International Olympic Committee). From there 3min walk.

To the Campus

You can use the public transportation from the YHJ or walk to the campus (approx. 3km / 35min).

There are different ways from/back to the hotel/EPFL by public transportation (only bus, only metro or bus & metro). They all include a bit of walking.

The easiest is to use google map to check your options and timing.

Last but not least: for the CERN visit:

Please be on time, the buses will depart at 8am from the YHJ and make sure to remember your CERN group color.

Should you have any questions, please contact phdevent@fusenet.eu

We wish a safe journey and a great event,

Your organization team

Myra, Tina, Darío, Paolo, Marcelo and Benjamin
